# **PLAY – WIN & SUPPORT AMATEUR FOOTBALL**

With Flag Football taking the stage at the Los Angeles Olympics in 2028, the explosion of our youth Flag football and each session of Pit Football setting registration records.

Football Manitoba has tapped long time volunteers Mike Garlinski & Jeffrey Bannon to head up the Adult Flag Football Association (AFFA)

The AFFA's goal is simple, raise funds through Flag Football Tournaments with proceeds going back towards offsetting costs of Amateur Football, yet mostly to our High-Performance Teams. (Boys, Girls - Tackle and Non-Tackle)

With a graduation rate of 80% of High-Performance Athletes attending post-secondary education institutions, our goal is to raise this number and also ensure all that want to play, can play! Regardless of their current financial situations.

The first tournament is Father's Day Weekend at Maple Grove Rugby Park, followed by soon to be announced Fall and Winter Holiday Break Tournaments. Each Division will feature a round robin schedule, (4 games) followed by a single elimination playoff format starting with quarterfinals to the Championships.

Championship Teams will win \$1,200, Second Place \$600 and Third Place \$300  
Early Bird Pricing and payment plans are in affect.

Exclusive Championship Swag & Trophies will also be awarded.
